TECHNICAL PRODUCTS

smartstones

A full range of small stones for slotting among **PIETRAECO** stones, in order to level and complete the cladding in forms and colors. **SMARTSTONE** are available in 6 BASE COLORS and are ideal to finish and personalize "Squadrate", "Allungate" and "Misti" stones.

TECHNICAL PRODUCTS

smartstones

SMARTSTONE EXTENDED

Suitable for use with Square Stones, Extended Stones and Mixed Stones.

Mean coverage: 1 box per approx. 10 sqm.

SMARTSTONES EXTENDED: covers a surface of 3% of the area to be cladded.

- 1 box per 10 sqm= ca. 0,15 sqm
- pieces per box: 100
- box weight 3 kg

Example surface to be covered = 100 sqm

Calculation of the amount: 100 sqm x 3% = 3 sqm

Calculation of the quantity of flats to be ordered:

(100 sqm + 15/20%) - 3 sqm = 112/115 sqm

SMARTSTONE EXTENDED PLUS

Suitable for use with Square Stones, Extended Stones and Mixed Stones.

Mean coverage: 1 box per approx. 5 sqm.

SMARTSTONES EXTENDED PLUS: covers a surface of 5% of the area to be cladded.

- 1 box per 5 sqm= ca. 0,15 sqm
- pieces per box: 30
- box weight 5 kg

Example surface to be covered = 100 sqm

Calculation of the amount: 100 sqm x 5% = 5 sqm

Calculation of the quantity of flats to be ordered:

(100 sqm + 15/20%) - 5 sqm = 110/115 sqm
